- : No wiring, no batteries, no computer.
- : High quality brass escutcheon reinforced by a steel plate for added security.
- : Solid brass handles.
- : Full mortise ANSI or EURO lock case, with a security latch and a strong deadbolt.
- : 3-hours UL fire rating.

The lock that created the industry

Mechanical cardlocks are a good choice for both larger and smaller hotels. The simplicity, reliability and low cost that made this system a worldwide success, still makes this the first choice for many hotel properties around the world today.
